PRAYERS

We pray for those places in the world facing war, unrest, and hardship—especially Ukraine, the Middle East, Venezuela, and Greenland. May your light guide these regions toward peace and safety.

We ask for help within our local community where darkness exists in the form of unemployment, trauma, abuse, hopelessness, and hunger. Show us how we can share your light and follow your guidance as individuals or together.

Thank you for calling us to be your disciples and loving us as we are. Open our eyes to opportunities to serve in our schools, workplaces, and homes, trusting that you have a purpose for everyone.

Bring comfort to those struggling with pain, anxiety, or sadness. May they experience hope and joy through your compassion, and may we serve them faithfully.

We also pray for friends who have not yet responded to your call. Give us chances to share your love with them, even if it means stepping out of our comfort zones.

Finally, we thank you for those who helped lead us to faith and for their example.

HOLOCAUST MEMORIAL DAY

Holocaust Memorial Day (HMD), held each year on 27th January, marks the anniversary of the liberation of Auschwitz-Birkenau, the largest Nazi death camp.

Under the Nazis, six million Jewish men, women and children were murdered, as well as millions of Gentiles. Holocaust Memorial Day also commemorates the more recent persecutions and slaughter in Cambodia, Rwanda, Bosnia and Darfur.

“HMD is for everyone. Each year across the UK, we bring people together to learn more about the past, empathize more with people today, and work to build a better future. Together we bear witness for communities who suffered attempted annihilation, and we honour the survivors and all those whose lives were changed beyond recognition.”

This year’s theme is ‘Bridging Generations’. HMD says: “The responsibility of remembrance doesn’t end with the survivors – it lives on through their children, their grandchildren and through all of us.”
