Quote for Structural and Masonry repairs to porch at St Bartholomew's Church Wiggington

We have now priced off the new specifications and drawings that were sent by Stephen from Cannon and Morgan Architects.

Our total price to support, take down of the right-hand side of porch, lay new foundation and rebuild will be:

£14,450.

Also please allow a provisional sum of £600 for new drainage to run in front of the repaired porch as per the architect's specification.

We estimate our works to take 4 – 6 weeks to complete.

We will Heras Fence the entire porch area and use appropriate signage whilst the repair works are undertaken.

Best regards

James Johnston
